

## PARENTS' GUIDE TO COMMUNICATION

There are many ways to stay informed at ULS. Here is a brief guide on staying up-to-date with our active school community.

### Newsletter

On most Friday afternoons we distribute an e-newsletter to all ULS families. This is your primary resource to stay informed about all campus events. The newsletter includes current campus activities, student achievements, volunteer opportunities, and links to teacher blogs. The ULS weekly newsletter is a necessary read for all Laker parents.

### Blogs

The ULS blogs keep you in-the-know on division-specific information including classroom updates from teachers, division announcements, activities and more. Be sure to check out the blogs for music, art and theatre as well! Links are in the weekly newsletter.

### Website
